MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report
for APRIL 1970

1. The attached tables reflect some of the activities of certain components of the Office of Security during April 1970.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The overall processing time for an applicant case decreased from 66 days in March to 64 days for the past month. This represents the third consecutive month that case processing time showed a decrease, dropping from 95 days in January to the present 64 days for an overall decrease of 31 days. Analysis of the factors involved in the current month's statistics reflects that the investigative field time decreased from 58 days in March to 55 days in April while SR&CD processing time increased from 2 days in March to 3 days in April and Personnel Security Division time remained constant at 6 days.

FOIAb3b

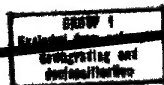

One summer employee case was received during the month, bringing the total number of summer cases received to 531.
